(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. a. Substantial Deviation from the 5-Year Plan

The Housing Authority defines substantial deviation as any change in policy which significantly and substantially alters the Authority's stated mission and the persons the Authority serves. (3) PHA Statement of Consistency with the Consolidated Plan

[24 CFR Part 903.15]

For each applicable Consolidated Plan, make the following statement (copy questions as many times as necessary).

Consolidated Plan jurisdiction: County of Santa Cruz, City of Santa Cruz, City of Watsonville

a. The PHA has taken the following steps to ensure consistency of this PHA Plan with the Consolidated Plan for the jurisdiction: (select all that apply):

- ☒ The PHA has based its statement of needs of families on its waiting list on the needs expressed in the Consolidated Plan/s.
- ☒ The PHA has participated in any consultation process organized and offered by the Consolidated Plan agency in the development of the Consolidated Plan.
- ☒ The PHA has consulted with the Consolidated Plan agency during the development of this PHA Plan.
- ☒ Activities to be undertaken by the PHA in the coming year are consistent with the initiatives contained in the Consolidated Plan. (list below)
- ☐ Other: (list below)

b. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

"The Housing Authority of the County of Santa Cruz is the agency that manages public housing programs in the City. In addition, the Housing Authority is responsible for many other activities that further affordable housing in the community. The Housing Authority is a leader in advocating for affordable housing as well as a developer of affordable housing. Further, the Housing Authority has assisted the City in recent years in planning affordable housing activities and administering housing programs. For example, the Housing Authority has managed the Homebuyer Program for both the City's Redevelopment Agency and the Housing and Community Development Division. Further, the Housing Authority also administers the Mortgage Credit Certificate Program and the Security Deposit Program. These examples illustrate the close working relationship between the City and the Housing Authority. The City considers the Housing Authority one of its most important partners in addressing affordable housing issues in the community."

--City of Santa Cruz Consolidated Plan, 2000-2005

"The most critical housing need identified in the Consolidated Plan was the need to alleviate conditions of overcrowding. The 1990 Census data indicates that 26% of the households in Watsonville are overcrowded, with

approximately 2,000 families having to "doubled up" as a result of economic necessity. Throughout the City, extremely Low-Income renting households have the highest percentage of houses with housing problems, followed by extremely low-income home owners, low-income and owner households, and moderate income renter and owner households.

Affordable housing and rent subsidies for low-income people are in extremely short supply. The Housing Authority's waiting list is 8,142. Pajaro Valley, Affordable Housing Corporation, a local non-profit housing development organization, has more than 325 families on a waiting list. The Watsonville housing market is very tight because of the lack of housing for agricultural workers employed throughout the area. CHISPA, an affordable housing developer, received 1,200 applications for their recently opened La Posada project which provided 43 apartments for farm-worker families."

--City of Watsonville Consolidated Plan, 2000-2005

Please note that Santa Cruz County's Consolidated Plan is part of the State of California's Plan, and as such, does not address any individual Housing Authority's PHA Plan.
